**** Statement of Purpose ****

The purpose of this organization is to foster and promote the sport of angling with artificial flies; to teach and share knowledge and techniques involved in fly fishing; to organize and lead outings; and to promote and support the conservation of fisheries.

****** CLUB INFORMATION ******

This is a **two month** newsletter so don't throw away or delete it until you have put items for meetings in both months on your calendar. Your editor will be out of town for a good part of September. I will also miss the September meeting. Somebody(ies) take notes and pictures or no newsletter report.

The AFF meets the third Tuesday of the month in room 6 at Argonaut High School. Argonaut High is located at the corner of Argonaut Lane and Hoffman in Jackson. You turn right off Hwy 88 at the top of the hill in Martell, and go south to the end of the street. Room 6 borders the front parking lot area.

Fly tying class at 5:30. At the September meeting the class will tie the _____ fly. At the October meeting the class will tie the _____ fly.

Casting on the lawn goes from 6:00 to 7:00. Last month there was actual casting. Check out under "August Meeting" for the story on Jiom Yep and Rocky Massoni and their bamboo rods

The speaker in September is local Amador graduate Mike Weir. Mike is a professional guide, a professional snowboarder, and recently produced a video on fly fishing. Mike is currently guiding with Tahoe Fly Fishing Outfitters. In October Nathan Joyner, the President of the Northern California Federation of Fly Fisherman will join us to fill us in on the current efforts and goals of NCCFFF. AFF is a club affiliate of NCCFFF, and a number of us are individual members. Check out "Club Information" for more on the programs.
